SA WOOD AND

LOUISVILLE.

FRIDAY, SEPT. 7, 1855.

The editor of the Democrat tries to offer of which he first made his debut in physic, come excuse for the abominable story he told and where he is now subsisting mainly upon England, The recurs for the abominable story he told about a Koow-Nothing attack upon the Roman Catholic Church in Nek Alhany. He says, that, although his story was uttrify false from beginning to end, it did no injustice to the Know-Nothings—that they are capable of such terms as it charged upon them. This is exactly that submitted they are capable of all the crimes that catholic Church in Net Albany. He occasionally preaches but more for notoriety than the good of souls. A interpretated, and so he charges them with the says and incomplete that they are capable of all the crimes that they are capable of all the crimes that they are capable of all the crimes that they are capable of the Pententiary. And this is the man of viquity, can invent. He thinks he has a right to charge them with attacking just as many cricks as he pleases, on the ground, that, if they are capable of all the crimes man render thin an object to the proposition of the summer of viguity, can invent. He thinks he has a right to charge them with attacking just as many cricks as he pleases, on the ground, that, if they have not actually done the deed, they are capable of it. He thinks he has a right to charge them with stabiling, shooting, braining, and where he is now subsisting mainly upon them. He is able of executive patrons determined the salary and octor of the students of the story of a stalary as dector on the promote that he sail thing the salary as dector of the students of the lable of executive patrons dector of the students of the salary and substitute the college, each passesing a well-selected Prance, 1,165,080,000 70,100,100 7 the ng women and coul ren and thrusting might be witnessed the conflagration of the Gery for him to prove anything, ded by trees, it will be a matter of curiosity t

that the ed tor of the Democral makes his state. Line Democratic Parson—opposed to the ment upon the authority of "aw old and respect. Nothings and the Indian a Liquor Law.

whose authority he made his statement about the attack upon the New Albany Roman Cathotic church. When called on, he said he knew the old and respectable cutizen by eight but didn't know what his name was or where he lived. He advertised for the discovery of his cold and respectable citizen, but the cold and respectable citizen. Also are the cold and respectable citizen, but the cold and respectable citizen, but the cold and respectable citizen, and the cold and respectable citizen, but the cold and respectable citizen, and the cold and respectable citizen and the cold and respectable citizen an that it is his intention to give a description of the person of the fine old chap and to ofter a reward for him, but we apprehend that all will be of no avail. It is said that he keeps a large number of runners husy night and day in hunting the 'old and respectable' interpretable' old fellow wears Jack the Good Killer's coat of air and is invisible to more in peculiarly unfortunate for the Sag-Nichts, as the general understanding now is, that the safe that all the safe the general understanding now is, that the safe that the safe that all the safe that the safe that all the safe that all the safe that all the safe that the safe that all the safe that the safe that all the safe that the safe that all the safe that the safe that all the safe that the safe that all the safe that all the safe that all the safe that the safe that all the safe that all the safe that the safe that all the safe that all the safe that the safe that all the safe that t mortal eyes. The non-appearance of the old permitting the United States. In the face of these facts, it will be difficult to make men believe that Eng aliant State alongs do of our own good old Commonwealth, in the front as the general understanding now is, that the editors of the Democrat have been relying upon the permitted of the Democrat have taken in the permitted of the Democrat have taken in t

Indiana and the rest of mankind have been present the proposition of t cing those Protestant elegymen who have stool aloof from politics and who have not felt it to be the ingreat numbers in their efforts to with the American party as which is said to be the language of Napoleon, "Centre College has sustained a very high reputation for more than a quarter of a century.

at the idea of preachers' dabbling in politics; but, when some whisky parson of their own party comes forward to advocate the repeal of the liquor law and the cause of the Pope, and pour out the hitterest reproaches against the man after terms.

funct medical achool, distinguished only for its ephemeral existence. Previous to his location countries has reached a point heyning which the experience and high report in Indianapolis, he had been a kind of cosmopolite, a traveling doctor, and he is now finally settled down in Jeffersonville, in the vector).

The national debt of the three nations stands in round numbers thus:

experience and high reput.
